To our valued customers using the vinyl cases of our diamond files

We have been selling the following listed products as REACH regulations compliant Products since July 1, 2008, but to our regret, we confirmed that the vinyl cases of these products contain cadmium in an amount exceeding the limits determined in the REACH regulations.

The applicable products manufactured from December 2011 to August 2021 are as follows:

- |   |           |
|---|-----------|
| • Flat End Diamond File (5 pcs./case)       | 102 units |
| • Round End Diamond File (5 pcs./case)      | 83 units  |
| • Triangular End Diamond File (5 pcs./case) | 50 units  |
| • Half-round End Diamond File (5 pcs./case) | 49 units  |

We would kindly ask your cooperation to contact your nearest NITTO KOHKI subsidiary so that they are recalled and replaced free of charge.
